At Meridian School we believe that children learn more outdoors than in classrooms.

Because stepping out generates energy and enthusiasm that helps rapid learning.

As a result, our field trips and excursions develop not only a thirst for knowledge, but also a natural curiosity, complementing everyday classroom interactions.

Speak to your child. Then speak to us. We have a lot to share with parents seeking a path for their children.

If Delhi Metro Wrote a CV

By *imrt* on Jun 30, 2017 in *Uncategorized*

Delhi Metro never wrote a resume, for sure. Aspirant engineers and technicians write resumes intending to get selected to serve it. Understandably, because it is one of the world's foremost underground (in stretches above, too) railway systems. That bit aside, if the Delhi metro ever did write curriculum vitae for itself, what could be the
